

2025 ICOI ASIA PACIFIC CONGRESS

Date

June 27 (Fri) - 29 (Sun), 2025

Venue

EXCO, Daegu

Daegu Korea

Discover the latest trends in implant dentistry with the world's leading experts.

Keynote Speakers

Dr. Homa Zadeh
(USA)

Dr. Mark Kwon
(Canada)

Prof. Dong-Seok Sohn
(Korea)

Prof. Chang-Joo Park
(Korea)

Prof. Ui-Won Jung
(Korea)

Dr. Kwang Bum Park
(Korea)

Prof. Mohamed Farid Shehab
(Egypt)

Dr. Venkat Nag
(India)

Dr. Achille Peivandi
(France)

Dr. Seiji Aruga
(Japan)

Country Representative Speakers

Dr. Teruaki Homma
(Japan)

Prof. Shimada Jun
(Japan)

Prof. Makoto Shiota
(Japan)

Dr. Ryuhei Yamanaka
(Japan)

Prof. Sunil Nettemu
(Malaysia)

Dr. Benjamin Fournier Racela
(Philippines)

Dr. Wen-Sheng Cheng
(Taiwan)

Asst. Prof. Pakawat Chatriyanuyoke
(Thailand)

Dr. Jaewoo Cho
(USA)

Prof. Pilseong Kim
(USA)

Country Representative Speakers

Prof. Seong-Joo Heo

Dr. Soon-Xae Hong

Dr. Hyun-Jong Kim

Dr. Hyeonjong Kim

Dr. Jinhwan Kim

Prof. Sungtae Kim

Prof. Yong-Gun Kim

Prof. Hyeonjong Lee

Prof. Jung-Tae Lee

Prof. Kwantae Noh

Country Representative Speakers

Dr. Byoungkyou Park

Prof. Se-Wook Pyo

Dr. Sam

Dr. Yurim Shin

Dr. Young Woo Song

Prof. Yuseung Yi

Dr. Yongjin Kim

Prof. Young-Dan Cho

PROGRAM

DAY 1 | June 27 (Friday) | Pre-congress Workshop

Time	Room 314	Room 315
10:00-12:00	PW 1 Contemporary Full Arch Implant Rehabilitation with Digital Workflow Dr. Yongjin Kim (YESMIRE Dental Clinic, Korea) OSSTEM IMPLANT	
12:00-13:00	Lunch	
13:00-15:00	PW 2 Our Hospital Welcomes Its First AI Employee Dr. Sam (WISEAI, Korea) WISE AI	PW 3 How to Place Implants Quickly and Easily using a Oneday Biotech One-drill System Dr. Jinhwan Kim (Oneday Biotech CEO, Korea) Dr. Achille Peivandi (Maxillo-faciale Département Lyon North Pôle, France) ONEDAYBIOTECH
15:00-15:30	Coffee Break	
15:30-17:30	PW 4 The Pink Esthetics with Collagen Graft2 & Monalisa Filler Prof. Young-Dan Cho (Seoul National University, Korea) Dentium	PW 5 Patient-Centered Solutions for Predictable and Simplified Reconstruction of Severely Resorbed Alveolar Ridge and maxillary Sinus: Innovative Techniques for Enhanced Healing, Stability, and Satisfaction Prof. Dong-Seok Sohn (Daegu Catholic University Medical Center, Korea) BIO7EM
18:00-20:00	Welcome Reception (Reservation Only)	

PROGRAM

DAY 2 | Saturday, Jun 28, 2025

Time	Grand Ballroom B, 3F, EXCO
09:00-09:10	Opening Remarks
09:10-09:40	Clinical Significance of Cementless Implant Abutments Dr. Hyun-Jong Kim (Korea)
09:40-10:10	3. Visit All-on-X Implants Dr. Jinhwan Kim (Korea)
10:10-10:40	Bone Augmentation and Simultaneous Implant Placements in Severely Limited Ridge Volume: A Novel Approach Dr. Jaewoo Cho (USA)
10:40-11:00	Coffee Break
11:00-12:00	KEYNOTE 1 The VISTA Technique: A Paradigm Shift in Peri-implant Soft Tissue Regenerative Therapy Dr. Homa Zadeh (USA)
12:00-13:00	Lunch
13:00-14:00	KEYNOTE 2 Evolution of Full Arch Implant Therapy: "How far have we come?" Dr. Mark Kwon (Canada)
14:00-14:30	Change and Direction of Future Dentistry: AI Big Data-Driven Changes and Challenges Prof. Seong-Joo Heo (Korea)
14:30-15:00	KEYNOTE 3 An Innovative and Simplified Approach to Vertical Bone Augmentation Prof. Dong-Seok Sohn (Korea)
15:00-15:30	Coffee Break
15:30-16:15	Management of Peri-Implantitis Dr. Hyeonjong Kim (Korea)
16:15-17:00	Rescue Treatment for Esthetically Compromized Implant Restoration Prof. Kwantae Noh (Korea)
17:00-17:45	Soft/Hard Tissue Augmentation with Collagen Matrix Prof. Sungtae Kim (Korea)
17:45-18:30	Overcoming the Limits of GBR: The Khoury Technique for Alveolar Bone Reconstruction Dr. Soon-Xae Hong (Korea)
18:30-18:50	ICOI Korea General Assembly
Room 306, 3F, EXCO	
09:10-09:40	Grafting Materials and Methods: Future Trends Beyond Past Traditional Limits Dr. Benjamin Fournier Racela (Phillippines)
09:40-10:10	Simplifying Complex Multidisciplinary Treatment with Digital Dentistry Asst. Prof. Pakawat Chatriyanuyoke (Thailand)
10:10-10:40	Navigating Challenges and Techniques in Management of Atrophic Alveolar Ridges Prof. Mohamed Farid Shehab (Egypt)
10:40-11:00	Coffee Break
11:00-11:20	Implant Total Solution with Conometric Concept: A Novel Abutment System for All Restorations Dr. Chieh Ming Yu (Taiwan)
11:20-11:40	Loose Screws Dr. Roberto Achilles Quiambao (Phillippines)
11:40-12:00	Advancements on Subperiosteal Implants:A Comprehensive Approach to Complex Dental Rehabilitation Dr. Farzin Sarkarat (UAE)
12:00-13:00	Lunch
13:00-13:20	What is A-10 Surgery? Dr. Koji Yamamoto (Japan)
13:20-13:40	The Advanced Digital Innovation Workflow: Optimizing Control and Predictability in Full Arch Implant Rehabilitation Dr. Hattapol Kumchai (Thailand)
13:40-14:00	The Role of Preprocedural Antimicrobial Rinsing in Enhancing Bioadaptive Osseointegration Dr. Yurim Shin (Korea)
14:00-14:20	Life Changing Dentistry <Considering about Patient Age and Treatment Time> Dr. Shinji Fujino (Japan)
14:20-14:40	Maxillary Molar Intrusion and Mandible Dental Implant Reconstruction: A Case Report Dr. Tzuchun Lin (Taiwan)
15:00-15:30	Coffee Break
15:30-16:00	Graftless Sinus Lift Concept Using Extra Wide Short Implants Dr. Seiji Aruga (Japan)
16:00-16:30	Invented Gingival Pouch (IGP) Technique for Implant Dentistry in Severely Periodontally Compromised Teeth Dr. Wen-Sheng Cheong (Taiwan)
16:30-17:00	Immediate Replacement and Provisionalization for Maxillary Anterior Tooth with Severe Bone Defect by Flap-less GBR Technique Prof. Shimada Jun (Japan)
17:00-17:30	Utilizing AR-VR Digital Technology for Implant Treatment and Education Dr. Teruaki Homma (Japan)
17:30-18:00	Full Arch Implant Restauration : Our Experience from the Conventional to the Full Digital in 30 Years Dr. Achille Peivandi (France)
18:00-18:30	Our Hospital Welcomes Its First AI Employee Dr. Sam (Korea)
Grand Ballroom, B1, Hotel Inter-Burgo EXCO	
19:00-20:30	Gala Dinner

DAY 3 | Sunday, Jun 29, 2025

Grand Ballroom B, 3F, EXCO	
09:00-10:00	KEYNOTE 4 A Practical Update of Digitally Guided Transcrestal Sinus Lifting Prof. Chang-Joo Park (Korea)
10:00-10:30	Continuous Tooth Eruption Adjacent to Single Implant Restoration Prof. Yong-Gun Kim (Korea)
10:30-11:00	Coffee Break
11:00-12:00	KEYNOTE 5 The VISTA Technique: A Paradigm Shift in Peri-implant Bone Regenerative Therapy Dr. Homa Zadeh (USA)
12:00-13:00	Lunch
13:00-14:00	KEYNOTE 6 Minimal Invasive Implant Surgery using Short and Narrow Implants Prof. Ui-Won Jung (Korea)
14:00-15:00	KEYNOTE 7 Revolutionary Implant Design Set to Shift the Paradigm in Atrophic Ridge Treatment Dr. Kwang Bum Park (Korea)
15:00-15:30	Coffee Break
15:30-17:00	Clinical Guidelines for Long-Term Success of Implant : Surgical Part · Optimizing Diagnosis and Treatment for Predictable Implant Outcomes Prof. Jung-Tae Lee (Korea) · Surgical Considerations for Long-Term Implant Success Dr. Byoungkyou Park (Korea) · Periodontally Driven Maintenance Protocol Prof. Young Woo Song (Korea)
17:00-17:30	Closing Ceremony
Room 306, 3F, EXCO	
09:10-09:30	Micro Surgery with the Microscope: What are the Benefits on Sinus Augmentation Procedure? Dr. Ryuhei Yamanaka (Japan)
09:30-10:00	Preserve and Protect with Predictable outcomes - The Novel 'S Technique' for Soft Tissue Regeneration in Implant Dentistry Prof. Sunil Nettemu (Malaysia)
10:00-10:30	Rebuilding the Hopeless: Tenting Screw GBR for Challenging Alveolar Defects Prof. Pilseong Kim (USA)
10:30-11:00	Coffee Break
12:00-13:00	Lunch
13:00-13:20	Abutment and Material Selections for Implant Restorations : Esthetic Zone Dr. Patsachol Patthanajitsilp (Thailand)
13:20-13:40	Management of Soft Tissue Complications around Dental Implant Prof. Supontep Teerakanok (Thailand)
13:40-14:00	The Application of Surgical Guides in Implant Placement Dr. Ko-wei Chen (Taiwan)
14:00-14:30	SKIP THE SINUS LIFTS: The Tilted Revolution with TTPHIL: ALL TILT® Protocol Dr. Venkat Nag (Institute for Dental Implantology, India)
14:30-15:00	The Potential of Micrografts in Dental Grafting Technology Prof. Makoto Shiota (Tokyo Medical & Dental University, Japan)
15:00-15:30	Coffee Break
15:30-17:00	Clinical Guidelines for Long-Term Success of Implant : Restorative Part · Implant Selection and Biomechanical Principles for Long-Term Success Prof. Hyeonjong Lee (Korea) · Clinical Guidelines for Long-Term Success of Implants: Restorative Consideration Prof. Yuseung Yi (Korea) · Complication Management Prof. Se-Wook Pyo (Korea)
